

School Update

'Education gives us an understanding of the world around us and offers us an opportunity to use that knowledge wisely. Irrespective of race, creed, and gender, education makes it possible for people to stand out as equal with all the other persons from different walks of life'.

Above is a quote that sums up the ethos of St Mary's and highlights the importance of Education. The Staff are very concerned that many children are missing out on their educational opportunities, so at St. Mary's we have decided to provide some education for all our children in the last few weeks of the term. Below are our plans from Monday 22nd June.

- Reception, Year 1 & 2 will be in all week.
- Year 3 will be in Monday & Tuesday.
- Year 4 will be in Wednesday & Thursday
- Year 5 will be in Wednesday & Thursday (this may change in the last week)
- Year 6 will be in Mondays, Tuesdays & Fridays and all the final week.

We need to prepare the children for learning in September while also allowing them to socially mix with their friends and peers. As you are aware there is currently no compulsion to send your children to school before September.

We also are hoping on 13th July to invite into school our September Reception intake to allow them to familiarise themselves with the staff and the classroom. If you would like any further information please phone the school. Thank you for your support.

Peter Kyles
