WELCOME TO THE HEREFORDSHIRE SCHOOL GAMES

SCHOOL GAMES

On behalf of the Herefordshire School Games County Alliance, we are delighted to welcome you to our biggest event of the year – the Summer School Games Festival!

This event is always the highlight of our annual School Games calendar, and this year is our biggest yet! We are thrilled to once again bring schools together from across Herefordshire to celebrate school sport.

With a huge summer of sport coming up, including the European Football Championships and the Paris Olympics, the Herefordshire School Games is an opportunity to inspire young people across the county by giving them a positive experience of sport, physical activity and competition.

This year, we have a mixture of competitive and participation events, alongside our School Games Arena where young people will be able to experience new and exciting activities with local clubs and providers. We are pleased to be welcoming nearly 1800 children who will be participating across 15 different sports and physical activities. Crucially, the event is supported by 200 young leaders who will motivate, officiate and support the participants as well as gaining valuable leadership skills.

This event wouldn't be possible without the huge amount of support from teachers, associate staff, event organisers, sponsors, clubs, coaches and volunteers to whom we extend our thanks and gratitude.

We want every young person who has taken part today to feel inspired to be physically active, not just over the summer holidays but for life! We hope they will return to school and home feeling proud of their achievements, telling family and friends how much fun they had!

SAFEGUARDING

YOUNG PEOPLE

All children and young people should feel safe when taking part in the Herefordshire School Games. Sport is fun – it gives you the opportunity to make new friends, try out new activities and amaze yourself with what you can do!

But for a few children, the fun is spoilt by others who do or say things during sporting activities that hurt or frighten them.

If something is worrying you, don't keep it to yourself. Here's what you can do:

Tell an adult you trust as soon as possible, such as:

- a parent
- Lead Safeguarding Officer
- a teacher
- the adult in charge of your sport
- an adult at the reception desk

EVERYONE

All children and adults should follow their code of conduct to maintain the School Games as a being a safe and fun environment.

Herefordshire School Games County Alliance has a duty of care to safeguard all children involved in the School Games. All children have a right to protection, and the needs of disabled children and others who may be particularly vulnerable will be taken into account.

Herefordshire School Games County Alliance will ensure the safety and protection of all children involved through adherence to the School Games Safeguarding Policy.

ADULTS

Can I take photos/film footage?

Any adult is permitted to do so as long as they have signed in, are wearing a 'visitor' sticker and adhere to the following guidelines:

You are only allowed to photograph/film and share images of a young person for whom you are directly responsible. If consent has not been granted, then no photographs/filming should be taken of this young person.

Any young person who should not be photographed will be wearing a fluorescent wristband, which must be **visible at all times**.

If you are concerned about any photography/filming taking place at this event, please contact the Lead Safeguarding Officer via the registration desk.

We have a dedicated Safeguarding Officer present on the day of the games.

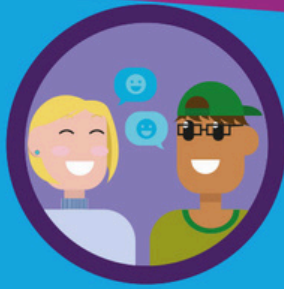

The NSPCC helpline is 0808 80 5000 and Childline is 0800 1111

CODE OF CONDUCT

Don't force anyone to take part if they don't feel comfortable to do so

Act as a role model to other players, coaches and officials

Have fun and be safe

Do not Swear

Respect the right of all participants
